

Time to talk.
November 15th 2012

- Did you feel proud of yourself when you performed in the play?
- Talk about how you worked together to make this special event.

Birthdays are special days too.

- When you go to a party is your favourite game to play?
- If you have a party, what do you need to do to get ready for it?
- Do you like being invited to a party? How does it make you feel?
- What was the best birthday party you ever had or you went to?
